**Subject:** Microsoft settlement

To whom it may concern:

I would like to express my strong desire for the court to REJECT the settlement proposed by the DOJ and Microsoft.

The proposed settlement will do nothing to prevent the monopolistic practices of which Microsoft has been found guilty.

I urge the court to take a strong stand to enforce the law as it is written, and not to be swayed by the political forces currently in power at the DOJ.

Sincerely,

John Schuch
